High School Spotlight Indoor Soccer League

Farmer Jim's, Sports Complex, the area's only indoor soccer facility that does not conflict with OHSAA restrictions, is proud to offer a new high school only league for the 2016-2017 season. The Spotlight League is a TRUE high school league open only to students in 8th through 11th grade who plan on playing with their high school team in the fall.

Rosters are limited to 12 players plus 2 alternates. There are 5 players plus a keeper on the field. A maximum of 12 players is allowed for any game plus 2 coaches. Coaches must be over 25 years old and remain on the sideline throughout the entire game.

Rules are according to the facility guidelines with the exception: RED CARD=2 game suspension with NO SUB ALLOWED.

The fee for the league is \$400 per team and referees fee will be \$20 per team per game. Games will be scheduled with Boys teams playing on Thursday nights and Girls playing on Wednesday nights. There will be a \$25 fee to reschedule any game after the schedule is complete so check with your schools to verify dances, band concerts, etc and let Farmer Jim's staff know of conflicts in advance of scheduling.

Officials will be assigned by the Facility Assignor and cannot be associated with any league team.

Scores will be posted on the Farmer Jim's website and the winning team per session will play a SPOTLIGHT game against an all-star team of players from other teams; this game is courtesy of Farmer Jims. There is NO fee for the Spotlight game!
