

Upper 90 Skills Academy

Youth and High School Soccer Training at Farmer Jim's

- The Upper 90 Skills Academy was created in 2012 by the two-time Ohio HS Coach of the Year and 2012 National HS Coach of the Year Finalist, Nate Mailach, and provides soccer players at every skill level the opportunity to considerably enhance their individual and team talents
- Players who register for the Skills Academy will receive intense soccer instruction from award winning local coaches and former elite players
- Foot skill training, dribbling, passing, defending, fitness, trapping, and proper heading techniques will be taught during each seven-week session. Goalkeeper training is also available upon request. All drills will be modified to challenge each individual player!!
- Upper 90 Skills Academy is NOT affiliated with any local club teams, so the training that is provided will not be used as a tryout for any summer leagues. It is strictly designed for ANY individual who is looking to improve as an overall soccer player.
- All players need to wear the proper soccer equipment and *bring a ball* with their name on it
