It's INDOOR SOCCER TIME at Trumbull County's finest soccer facility. We offer three 7 - game sessions, flexible scheduling, and convenient location. The 1st session runs November and December for 7 weeks; the 2nd session runs January and February for 7 weeks; and the 3rd session runs March and April for 7 weeks. We will schedule around your tournaments, your holiday plans, the start of your spring outdoor season, etc. Don't forget to let us know in advance about your legitimate, entire team scheduling conflicts.

Referee fees (see the referee fee schedule for your age group & field) are to be paid directly to the officials before your game starts. A deposit of \$200 / team is due with the team registration form for each session. When the schedules are complete, the coach will be contacted with the day and time of the first game. The balance and completed waiver forms are due at the first game and printed schedules will be handed out, one per team, on payment. Team leaders are responsible for informing players of their complete schedule.

DIVISIONS OFFERED & AGE REQUIREMENTS

Note: Both Boys and Girls Divisions are offered in most age groups. Females may play on Male teams, but the Female divisions are for Female players only. A younger player may play up in young divisions (never down) and follow outdoor league guidelines for younger players on senior division teams. Farmer Jim's Sports Complex reserves the right to move a team up or down in age level or division WITHOUT notification for competitive or scheduling reasons - please provide the best detail you can about team ability and scheduling conflicts on your team registration form.
